Dear Fellow Property Owner,

Hollywood Boulevard is the place where people come to experience excitement and glamour, relive Hollywood's past glory and enter its world of myths and imagination. What they find, however, is a problem area in a state of disrepair. Much needs to be done to enhance that excitement and make the glamour a reality.

The recent riots, Boulevard cruising, transients, crime, street maintenance, and the future impact of Metro Rail Construction are some of the major concerns that brought us together to form the **HOLLYWOOD BOULEVARD PROPERTY OWNERS' ASSOCIATION, INC.** a nonprofit corporation.

The main purpose of such an organization is to identify causes of blight, decline or neglect and find solutions; to keep ourselves informed about proposed changes in the area and all plans affecting our properties; and to act with a unified voice on matters that mutually affect us.

The Hollywood Economic Revitalization Effort staff have assisted in creating the HBPOA and will continue to provide us with the professional expertise and management needed for such an organization. We appreciate their years of dedication to Hollywood's revitalization.

A Steering Committee has been meeting routinely to identify the Association's goals and objectives. We plan to work on many aspects of improving the quality of the street and business environment (see attached list). There are groups in the area dealing with what seem to be similar issues, but none deals with the direct issues that affect us - the property owners.

It is our intention to work in full cooperation with all local groups, the Hollywood Chamber of Commerce, CRA, L.A. City Council, and all City, County, and State Agencies. We will work together toward the common goal of positive, meaningful changes that will impact Hollywood's Commercial Core.

WE NEED YOU to become an active participant, express your concerns, and add your support by joining the Association as we address these problems.

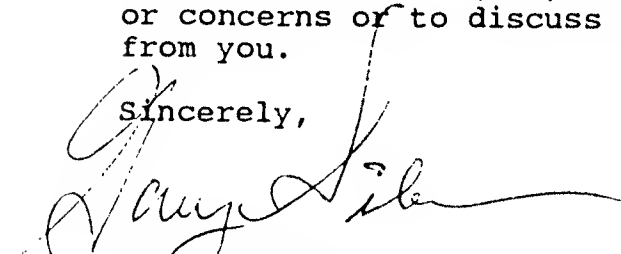

I, with my father, brother Don, and other members of the current HBPOA have been property owners for over 30 years, and were active in the Hollywood Property Owners' Association that built the world-renowned Walk of Fame in 1961. That Association also initiated the maintenance of that famous Walk. United today, we **CAN** make a difference.

The Steering Committee has established an initial Membership Fee of \$200, covering a six-month period ending February 28, 1993. I ask that you please join us, the Hollywood Boulevard Property Owners' Association, Inc., by completing the enclosed form and mailing it with your check made out to Hollywood Boulevard Property Owners' Association, at the following address:

6541 Hollywood Blvd., 2nd Floor
Hollywood, CA 90028

Please call me at (310) 659-5954 for answers to any questions or concerns or to discuss the Association. I hope to hear from you.

Sincerely,

Gary Silvers
President
